Everyone knows the TED Talk. This is where they come to find it.
TED Partnerships works with best-in-class brands to create innovative, inspiring, and impactful thought leadership campaigns.
TED’s mission: share impactful ideas for a better world.

TED is a nonprofit devoted to spreading inspiring ideas—from health and wellness to business and innovation—across podcast, video, experiential, social, and so much more.

Our partners are some of the most highly influential brands in the world—working with TED to showcase their thought leadership, spotlight innovation, tap into world-changing ideas, and chart a path forward.
